

PRESENTATIONS

I hold membership in various engineering and management associations such as the American Society of Civil Engineers (ASCE), and the Association for the Advancement of Cost Engineering, (AACE) International. These memberships have given me the opportunity to present papers and other presentations at professional convocations.

- As Technical Board of Director, Chairman of the Aviation/Aerospace Committee and Chairman of the Planning/Scheduling Committee, I gave presentations during 43rd Annual Meeting of AACE International held in Denver, Colorado.
- As a Chairman of the Aviation/Aerospace Committee, I gave presentations during 41st Annual Meeting of AACE International held in Dallas, Texas.
- As a Chairman of the AACE's Aerospace/Aviation Committee, I gave presentations during 40th Annual Meeting of AACE International held in Vancouver, BC Canada,
- I presented a paper during the 39th Annual Meeting of AACE International held in St. Louis Missouri.
- I presented a paper to the 38th Annual Meeting of AACE International held in San Francisco, California.
- I gave a talk on Aviation programs, to the American Society of Civil Engineers (ASCE),
Los Angeles Section.
- While working with the FAA and Fortune 100 companies in various roles, I gave presentations and briefings to management, customers, contractors, external organizations and employees.
- As an Union Representative, I have given talks and speeches to bargaining unit employees. I have resolved many conflicts. I always emphasize areas of agreement and seek amenable compromises on areas of disagreement.
